

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office  
FLOOR DEBATE

April 7, 2003      LB 754

SENATOR CUDABACK: Thank you, Senator Bromm. Senator Chambers, seeing no other further senators wishing to speak, did you wish to close on your amendment?

SENATOR CHAMBERS: Mr. President and members of the Legislature, in response to Senator Bromm's plea for mercy, were we in a different setting I would not proceed with that amendment that will rip his heart out, but since it is necessary in a legislative setting to do what we must do, Senator Bromm, meet Attila the Hun. But before we get to that, I want people to notice the example here that we see of that old biblical verse that says how wonderful it is when brethren dwell together in harmony. I want to maintain that harmony with an amendment which is as nice as the other two that I've presented. I would like to prevail on Senator Bromm not to break the harmony. I've been right two out of two times. Senator Friend knows that that constitutes a good track record--two for two. That's batting a thousand. More than that I have not to say at this point. Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Chambers. You've heard the closing on FA1263. The question before the body is, shall that amendment be adopted to the committee amendments to LB 754? All in favor of the question vote aye, opposed nay. Voting on the adoption of FA1263, which is to AM0912, offered by the Agriculture Committee. Have you all voted who care to? Record please, Mr. Clerk.

CLERK: 33 ayes, 0 nays, Mr. President, on the adoption of Senator Chambers' amendment.

SENATOR CUDABACK: FA1263 was adopted. Mr. Clerk, next item to the bill.

CLERK: Senator Chambers would move to amend with FA1264. (Legislative Journal page 1173.)

SENATOR CUDABACK: Senator Chambers, to open on your amendment to the committee amendments.

SENATOR CHAMBERS: Mr. President, members of the Legislature,
